Case Narrative

I received a call from State Radio at 1040 hours notifying me that a request for a Silver Alert came in from Devils Lake PD. I responded to the EOC, along with Sgt. Hundson, to review the Silver Alert request.

Devils Lake PD received a report of a missing 59-year-old male, Clarence Joseph Henry, Jr., from Edwin, Manitoba, Canada. Henry was last heard from on Friday, November 2, 2018 at around 12:30 hours. Henry is known to have a 'Redacted 44-04-18.22'. Henry left work on November 2 and informed co-workers that he did not feel well. At about 1000 hours he went to the bank and withdrew \$400 in cash. According to US Customs, Henry crossed into the US at around 1300 hours at the Hannah port-crossing coming into North Dakota.

I spoke with Detective Sue Schwab from the Devils Lake PD. She stated that Henry's wife came into the police department to report a missing person. She has not heard from or seen Henry and is concerned for his safety. Detective Schwab was informed that Henry liked to visit the casinos in the northeastern part of the state. I called Spirit Lake Casino, Sky Dancer Casino, Prairie Knights Casino and Four Bears Casino. Henry last visited Sky Dancer Casino in June of 2018 and there was no record of him this past week at Spirit Lake, Prairie Knights, or Four Bears Casino.

BCI was also present at the EOC. It was determined that the request did not meet the Silver Alert criteria. Due to the circumstances and description of Henry, he could not be classified as a disabled or vulnerable elderly adult. The only usable information we were able to obtain was that he crossed the border at around 1300 hours on November 2 2018. According to US Customs, he was alone in his vehicle when he came through the Hannah port.

A BOLO was sent out at 1124 hours on November 5. No other information to report.

UPDATED Info:

I spoke with Devils Lake PD Detective Schwab at 1340 hours. She stated the individual has relatives in the Devils Lake area. These locations have been checked with no sign of Mr. Henry. I also informed her about my calls to the Casino's and that they didn't have any record of him visiting since November 2, 2018.
